Located on the north bound Highway # 2: There is two (2) 100 ft by 100 ft commercial lots available. These 2 lots are being sold as a single parcel. Each has a Land Title. Lots are flat and rectangular. Combined this gives you a Frontage of 200 Feet and a depth of 100 Feet. Services are at the property lot line. Excellent location for the business that would like highway frontage location. This is a Land Sale only. Should you be an interested buyer, an additional 2 lots of this same size could be available that are located next to it. The full 4 lot parcel would extend to the Intersection of Highway 533 and # 2, giving you 400 feet of frontage and a depth of 100 feet and the choice of connection of 1 to 4 separate services. These additional 2 lot costs can be negotiated. There are few lots of this size available in the Town of Nanton, especially close to the downtown area and nearby sport facilities in Nanton.
