Leases

This is a business asset sale only, does not include building. Lease is transferable. This is a great business that you can walk right into, and hit the ground running. With a very established clientele of forestry, agriculture, oilfield and industrial clients, you will inherit a strong list of clients. Owners are willing to train the purchaser for a month on everything they need to know to run this business, which has over a decade track history. Owners take in a very healthy wage, and this could be all yours! Seller willing to sell the shares in the existing company as well.
