What an opportunity! Looking for a standalone building that's a reasonable size, and a reasonable cost, for your new or growing business? Something centrally located and highly visible? If so you should check this out! This building, finished with 3 washrooms and featuring a rear courtyard, it can be whatever you imagine: office space, retail location, salon. The options are endless. Restaurant trade fixtures have been removed but certain food service operations may be considered. The lot is spacious and offers the potential for an addition to the building as well.
