Exceptional opportunity to acquire a fully operational automotive mechanic shop together with the commercial property. This 5,000 sq. ft. corner unit offers excellent exposure and accessibility, featuring 12 on-site parking spaces and two overhead bay doors. The shop is fully equipped and approved for a broad range of services, including general mechanical repairs, wheel alignment, Uber, Taxi & Limo inspections, and out-of-province inspections. The business is well established with a strong and loyal clientele. As per the owner, the business generates approximately \$1.2 million in annual sales. This turn-key operation is ideal for an owner-operator or investor seeking both business ownership and real estate in a high-demand location. A rare opportunity to own both the business and the property.
