This is a rare opportunity to acquire a fully licensed and operational cannabis retail store in a high-traffic area of NE Calgary. Since opening in March 2022, the store has built a loyal customer base and a strong reputation within the community, making it a turnkey investment for both seasoned operators and those looking to enter the rapidly growing cannabis industry. With an average profit margin of 25%, this business is well-positioned for continued success. The store occupies 955 square feet and operates with a competitive rental rate of \$26 per square foot, plus operating costs of \$10 per square foot (as of January 2026). Designed for efficiency, the store runs on a consistent schedule from 10 AM to 10 PM, Monday to Friday, ensuring a steady flow of customers throughout the day. This asset-only sale includes all fixtures, equipment, and operational infrastructure, allowing for a seamless transition to new ownership. Inventory is not included in the purchase price and will be counted separately. The store offers a carefully curated selection of high-demand cannabis products, which have been well-received by its customer base. As the cannabis industry continues to thrive, this store's prime location, established operations, and loyal clientele make it a fantastic opportunity for an investor looking to expand their portfolio or enter the retail cannabis market for the first time.
