Excellent opportunity to own a versatile commercial property in Bassano, Alberta, complete with a fully fenced 0.43 acre yard and a well equipped shop designed for productivity and growth. The main shop features three overhead doors measuring 10, 12, and 14 feet, along with a 16 foot ceiling height and three vehicle hoists, making it ideal for servicing large vehicles and equipment. The front portion of the building offers a welcoming display area, dedicated office space, and two washrooms, creating a functional and professional environment for both staff and customers. An additional covered and heated parking area has been added, providing extra workspace and year round convenience. The current owner operates an automotive repair and vehicle recovery and towing business from this location and is willing to include all equipment and tow trucks with the sale. This allows a new owner to step in and start earning income immediately. With its prime location along the Trans Canada Highway, this property is exceptionally well suited to continue as an automotive repair and towing operation, benefiting from highway exposure and steady demand. There is also excellent potential for expansion and future growth.
