Established wellness practice opportunity in Red Deer. Best Choice Acupuncture is a long-standing acupuncture and massage therapy business with an established client base, strong repeat clientele, and turnkey operating systems already in place. This business sale includes goodwill, client list, booking systems, branding, website and business assets associated with the operation. The practice has demonstrated recurring revenue, strong rebooking activity, and continued new client growth, making it an excellent opportunity for an acupuncturist, massage therapist, or wellness practitioner looking to expand or step into an existing practice without the challenges of starting from scratch. The clinic currently operates as a sole practitioner business with a loyal customer base and established community presence. Flexible purchase structures may be considered, including vendor financing, earn-out arrangements, or graduated payout options, subject to negotiation. The building is being sold separately. This is an asset sale only and does not include corporate shares. Excellent opportunity to continue operating in the existing location or integrate the client base into an existing wellness operation.
